<b>29 April 2025; Tuesday</b>	
<b>Timings</b>	<b>Session name</b>
0845 – 0945 Hrs	Registration/ Tea & Coffee
0945– 1015 Hrs	<b>Opening Session</b>
1015 – 1100 hrs	Panel Discussion 1: Building a Future-Ready Innovation and IP Ecosystem
1100 – 1145 Hrs	Panel Discussion 2: Emerging technologies driving the next wave of Innovation and IP
1145–1230 Hrs	Panel Discussion 3: Navigating the Future: Tackling counterfeiting and piracy for the tech driven new era
1230 – 1245 Hrs	IP Talk on Demystifying IP Insurance: Protecting Innovation, Managing Risk
1245 – 1330 Hrs	Lunch
1330 –1415 Hrs	Panel Discussion 4: Challenge and Opportunities for Standard Essential Patent (SEP) Licensing
1415 – 1500 Hrs	Panel Discussion 5: From Lab to Market: IP and Innovation Strategies for Commercializing Future Tech
1500 – 1600 Hrs	<b>Exclusive Session: Unveiling the Innovation Excellence Evaluation Report for Public Funded R&amp;D Organizations</b>
1600 – 1655 Hrs	Panel Discussion 6: R&D Partnerships: Building Co-Innovation Ecosystems
1700 –1730 Hrs	<b>Exclusive Plenary: Celebrating Innovation, IP, and Creativity for Global Progress</b>
1730 Hrs	Close of Day 1

**29 April 2025; Hotel The Lalit, New Delhi**

**Detailed program**

<b>29 April 2025</b> <b>0945 – 1015 hrs IST</b>	<b>Opening Session</b>	
Join us for the opening session of the Global Innovation & Intellectual Property Summit that sets the stage for an inspiring dialogue on how innovation and intellectual property can drive inclusive, sustainable, and future-ready growth. Bringing together visionary leaders from government, industry, academia, the session will explore strategies to strengthen the innovation ecosystem, promote IP-led value creation, and foster global partnerships for impact.		
0945 – 0950 hrs IST	Welcome Address	<b>Dr Shaheen Majeed</b> Global CEO and Managing Director Sami Sabinsa Group Limited & Vice Chairman, CII National Committee on IP
0950 – 0955 hrs IST	Theme Address	<b>Mr R Saha</b> Senior Adviser Confederation of Indian Industry (CII)
0955- 1005 hrs IST	Special Address	<b>Dr Brajesh Pandey</b> Executive Director Indian National Science Academy (INSA)
1005- 1015 hrs IST	Special Address	<b>Prof Unnat Pandit</b> Controller General of Patents, Designs, and Trademarks, Indian Patent Office Govt of India
1015 hrs IST	Vote of Thanks and Closing Address

<b>29 April 2025</b> <b>1100- 1145 Hrs IST</b>	<b>Panel Discussion 2: Emerging technologies driving the next wave of Innovation and IP</b>
<p>Emerging technologies like AI, Blockchain, Quantum Computing, Advanced Materials, and Biotechnology are reshaping industries and driving a new wave of innovation. As technology blurs the lines between products, services, and data, it is also transforming how intellectual property (IP) is created, protected, and monetized.</p> <p>This session will explore how businesses, startups, and research institutions can leverage emerging technologies for IP and innovation led growth, navigate new forms of intangible assets, and build future-ready strategies in a rapidly evolving global landscape.</p> <p><b>Key Takeaways:</b></p> <ul style="list-style-type: none"> <li>• Tech trends driving the future of innovation &amp; IP</li> <li>• IP challenges &amp; opportunities in the age of AI, data &amp; deep tech</li> <li>• Emerging models for collaborative innovation &amp; IP sharing</li> </ul>	
<b>Moderator</b>	<b>Mr M Faisal</b> General Manager and Global Head, IPR, Tata Motors Ltd.
<b>Panelists</b>	<p><b>Dr Rajkumar Singh</b> Senior Director, Bharat Forge</p> <p><b>Ms Anusha Rammohan</b> Co-Founder and Chief Technology and Product Officer, Myelin Foundry</p> <p><b>Mr Nakano Hiroyuki</b> Senior Director-IP, Japan External Trade Organization</p> <p><b>Dr Abhinav Mathur</b> Advisor to the Board, Attero Recycling</p> <p><b>Dr Vinodh Mewani</b> Senior Principal Engineer, Head - IPR &amp; KM, Mahindra and Mahindra Limited</p>

<b>29 April 2025</b> <b>1145- 1230 hrs IST</b>	<b>Panel Discussion 3: Navigating the Future: Tackling counterfeiting and piracy for the tech driven new era</b>
<p>As technology accelerates innovation and global connectivity, it has also amplified the scale and sophistication of counterfeiting and piracy across industries — from consumer goods and electronics to digital content, software, and luxury brands.</p> <p>This session will explore how businesses and regulators are leveraging technology — including AI, blockchain, digital tagging, and advanced enforcement tools — to combat counterfeiting and piracy. It will also examine evolving consumer behaviors, legal frameworks, and collaborative strategies to safeguard innovation, IP, and trust in the digital economy.</p> <p><b>Key Takeaways:</b></p> <ul style="list-style-type: none"> <li>• Emerging threats and trends in counterfeiting and piracy in the tech era</li> <li>• Role of technology and digital solutions in brand protection</li> <li>• Strengthening legal, regulatory, and cross-border collaboration</li> </ul>	
<b>Moderator</b>	<b>Mr Sidharth Chopra</b> Litigation Head, Saikrishna & Associates
<b>Panelists</b>	<b>Mr Arindom Hazarika</b> Senior Counsel, Brand Protection-South Asia, Middle East and Africa, Sandisk  <b>Ms Atika Prasad</b> Intellectual Property Attorney, Wahl Clipper Corporation  <b>Mr Sumit Kapoor</b> Global Brand Relation Manager, APAC region, Amazon  <b>Ms Anju Agrawal</b> Partner, Lexorbis

<b>29 April 2025 1230-1245 hrs IST</b>	<b>IP Talk on Demystifying IP Insurance: Protecting Innovation, Managing Risk</b>
<p>As intellectual property (IP) becomes a key business asset and competitive differentiator, the risks associated with IP infringement, litigation, and enforcement are rising. IP insurance is emerging as a critical tool to help innovators, startups, and businesses protect their IP portfolios, mitigate financial risks, and navigate complex legal battles.</p> <p>This session will unpack the evolving landscape of IP insurance — what it covers, how it works, and why it is becoming essential in today’s innovation-driven economy.</p> <p><b>Key Takeaways:</b></p> <ul style="list-style-type: none"> <li>• Understanding the role and relevance of IP insurance in today’s business environment</li> <li>• Global trends, best practices, and evolving IP insurance models</li> <li>• Role of IP insurance in fostering innovation, investment, and market confidence</li> </ul>	
<b>Talk by:</b>	<b>Ms Uttara Vaid</b> Consultant, Beacon

<b>29 April 2025</b> <b>1330- 1415 hrs IST</b>	<b>Panel Discussion 4: Challenges and Opportunities for Standard Essential Patent (SEP) Licensing</b>
<p>Standard Essential Patents (SEPs) play a critical role in enabling interoperability and driving global technology standards across sectors like telecom, electronics, automotive, and IoT. However, SEP licensing continues to face complex challenges.</p> <p>This session will explore the evolving SEP ecosystem, emerging global practices, and strategies for navigating SEP licensing in a multi-stakeholder environment. It will also discuss the growing importance of SEPs for Indian companies in the context of 5G, connected devices, and next-gen technologies.</p> <p><b>Key Takeaways:</b></p> <ul style="list-style-type: none"> <li>• Global trends and emerging regulations shaping SEP licensing</li> <li>• Balancing innovation incentives with access to standards — FRAND challenges</li> <li>• SEP considerations for Indian industry and startups entering global value chains</li> </ul>	
<b>Moderator</b>	<b>Mr R Saha</b> Senior Advisor, Confederation of Indian Industry (CII)
<b>Panelists</b>	<b>Ms Sukla Chandra</b> Senior Director, Dolby Laboratories  <b>Dr Ajai Garg</b> Advisor, Consultant on Global Trade, Policy and Compliance for Digital Technologies, Anand & Anand  <b>Ms Saya Choudhary</b> Senior Partner- Singh and Singh  <b>Mr Arindam Das</b> Director- Government Affairs, Qualcomm
